Brent Hinson Washington City Administrator 205 W. Main Street Washington, IA 52353

Dear Washington City Council:

The Washington Chamber of Commerce has a primary responsibility "To create a progressive business climate and to promote a high quality of living in the Washington community." On behalf of our board of directors, we are extremely privileged to uphold this mission and to work in collaboration with the City of Washington.

It is with the greatest honor that the Chamber is able to run the Welcome Center for the City of Washington. This center serves as a communication hub for the community – frequently serving both local residents as well as visitors to the community. The Center is the point of contact for individuals who are interested in visiting, relocating, and researching options to open business in our community. It is a vital part of Washington.

In 2017, the City of Washington graciously granted Washington's Welcome Center a \$20,000 contribution. Over the course of this past year, we believe we utilized these funds to create a successful tourism program that has increased awareness of our community to surrounding areas.

The Chamber's tourism arm has strived to make financially sound decisions. We work within our budgets and we try to create our own profits through fundraising, sponsorships, vendor fees, etc. However, the costs involved with our tourism activities have risen as well. From the beginning of our 2011 fiscal year to the end of our 2017 fiscal year, total profits have increased 76.27% and total expenses have increased by 83.94%. These numbers are supported in the additional excel document and exclude all Chamber related activities as well as all operating funds and payroll.

Thanks to the backing provided by the City and judicial budgeting, Washington's Welcome Center was able to accomplish the following: successfully pass a hotel/motel tax for the community, continue the volunteer-run Welcome Center, & increase participation of community events. In 2017, the Welcome Center volunteers donated time to tourism that values in excess of \$50,211.

We are grateful for your assistance and we are respectfully requesting that the City of Washington maintain the current contribution of \$20,000 for 2018. We would like to request that City Council will honor this amount on an annually basis, for a three year commitment. This will allow both the City and the Welcome Center to plan and budget proactively.

We appreciate your support and thoughtful consideration in this matter. Please see the attachments for our recent organizational accomplishments.

Respectfully,

Michelle Redlinger, Executive Director, Washington Chamber

### Significant Accomplishments in Recent Years

Community Magazine: At the start of 2017, the Chamber released our Community Magazine. This project was done 100% locally for the first time in history. The magazine showcases the many assets in our community and was nominated as a top 3 tourism publication in the Midwest. 5,000 copies were printed and they have been distributed across the state of Iowa.

Hotel/Motel Tax: With the support from City Council, the Chamber spent a large portion of 2017 to pursue a hotel/motel tax in our community. Through the help of a dedicated volunteer task force, information was disseminated, meetings were held, and questions were answered. After this vote had failed in the community twice in the past, it passed on August 1 with a 75% vote in favor of the tax. Since then, the Chamber and City have created a Fund Administration Committee, have sent out RFPs for marketing firms, and will be developing tactics on how to use this money so it best benefits the community.

<u>Class Reunion Collaboration</u>: In 2017, the Chamber's Flightline LIVE committee reached out to class reunions to create a unified weekend where Washington hosts class reunions. During Washington's 4 day Summer Classic, 6 class reunions scheduled their events during a time when Washington is full of activity. In 2018 we expect the same, with the addition of a class reunion from WACO who wants to be included.

<u>Conferences</u>, <u>Training Sessions</u>, and <u>Workshops</u>: A variety of training opportunities were brought to the community, which brought visitors from other communities to town.

- 1. Chamber Regional Conference: Washington was fortunate to host the annual conference for Chambers across the state of Iowa. We gave them the tour of the Washington State Theater, a driving tour through town, and hosted a farm to table dinner at the working farm of Bob & Diane Gallagher. When surveys went out, all events in Washington received 100% votes of 5 stars (best).
- 2. Marketing ReBoot: Early 2017 we had the opportunity to bring in marketing expert Kyle Sexton from Oregon to give a half day seminar. 73 people registered for the event and included attendees from Fairfield and Kalona.
- 3. <u>Hospitality Training:</u> Thanks to our partnership with Travellowa we were able to bring in experts to give a free training on hospitality. This interactive workshop provided light into how important it is to keep hospitality front and center as a means for return customers and visitors to the community.

New Community Promotions: The Visitor & Tourism arm created many new opportunities for promoting Washington in 2017.

- 1. Our Iowa Magazine: Two ads were created for Our Iowa Magazine, showcasing the many assets in our community. As part of the advertising, a winner from each ad was selected with an overnight stay at the Dodici Night Suites.
- 2. <u>Lake Darling:</u> Informational binders have been placed in all of the cabins at Lake Darling. These include information about our restaurants, retailers, history, and community events. These are maintained quarterly.
- 3. <u>Community Banners:</u> The new vinyl banners along highway 92 are still a work-in-progress. We have had a difficult time getting them to stay stretched and keep banners from falling off the brackets. We are working with other communities to see how we can resolve these issues so that we can utilize this great marketing opportunity.

Social Media Awareness: Washington is able to interact with our community in ways never done before. Our social media page on Facebook continues to see growth in followers ('likes'), with an average of 444 'likes' in 2014, and an average of 1,174 'likes' in 2017. We currently have 1,151 individuals following the Facebook

page, which is an increase of 42% with 741 followers in 2015. Of those individuals engaged with our social media 49% are from communities OUTSIDE of Washington.

Total Page Likes as of Today 1 174

Total Page Lilles BENCHMARK

Washington's Summer Classic: The Chamber's Visitor & Tourism Committee committed to continue the positive momentum created from the City of Washington's 175<sup>th</sup> Anniversary by creating a new, annual celebration called 'Washington's Summer Classic.' Based on the 8 day celebration in 2014, the new Summer Classic featured 4 days of events that highlighted the multiple assets and demographics of the community. Hundreds of individuals, businesses and volunteers collectively worked together to create this event, which we hope will continue to grow and become a draw for tourism in the community.

Welcome Center: Volunteers began representing the community in January of 2013 to develop a fully-functional center for visitors, businesses, and new residents to the community. In the 5 years of existence, the Welcome Center has become a trusted and reliable resource for new members to our community as well as visitors. The Welcome Center is staffed by volunteers, keeping the doors open from 9 a.m. – 5 p.m. In 2017, volunteers put in 2,080 hours of time, which has a value of \$24.14 per hour. That's \$50,211 in donated time from our volunteers at the Welcome Center alone (not including any of the volunteer time spent at our 71 annual community events).

<u>Tourism Marketing Growth:</u> A partnership with the University of Iowa in 2015 enabled us to establish consistent branding and marketing tools to better promote the community of Washington. New brochures, welcome postcards and folders have been developed in 2015. These marketing efforts were realized in a new community magazine and increased partnership efforts in 2016.

Regional Marketing Analysis: Thanks to a grant from the Washington Riverboat Foundation the Chamber's Tourism Committee hired a consultant to analyze the strengths and weaknesses of our county. The final results will be soon shared with the community to provide guidance on how Washington County can collaborate to strengthen our presence in surrounding counties, increasing tourism and awareness for our businesses.

Website: The website is continuing to see growth as a community resource for locals and visitors. The average number of visitors we served in 2017 was over 1,000 per month.

Dear Council Members,

The Main Street Washington Board wants to THANK YOU for your continued support of our mission and the strong partnership we have established over the past several years. Your support has enabled our committed volunteers, staff and board to work to revitalize the Washington downtown district. Since 2008 Main Street Washington has reported 37 Business Starts, relocations, or expansions, 70 Net New Jobs, 87 Buildings Rehabbed, \$11,999,166 million in Private dollars invested in Building Rehab & Acquisition, and 21,064 Volunteer Hours.

With your support, the Design Committee has worked very hard to promote private investment in building repair and rehabilitation through the use of Washington Incentive Fund grants as well as the Downtown Investment Grants. Round 1 dollars were exhausted in 2018 with the Washington Evening Journal project, Greiner Buildings, and the soon to be completed Frontier Family Restaurant. Round 2 dollars have just opened up and will likely be committed in the next few months.

The Economic Restructuring Committee continues to focus on helping our business partners by providing market analysis data. They collected Key Statistics from our Businesses which included: 155 Businesses, 553 Full-Time Employees, 368 Part-Time Employees, 85 apartments, and 102 residents working and living in Downtown Washington.

The Promotion Committee continues to invest time and energy in developing and marketing special events that foster community pride, the recent Sip & Shop and Shop & Stroll events, lighted parade and Santa House are excellent examples of local events that highlight our commitment to the community.

As part of our continued outreach and education program we've also started the Main

Street Monthly Newsletter (January 2019 attached) to better communicate as well as the Main Street Monday video series to educate our community about our Businesses and how to get more involved with Main Street. The 4 videos thus far can be seen on Facebook or at our YouTube pages (https://bit.ly/2GgPemq)

As we continue to build on our successes and offer more help to Washington's Historic Downtown, we will strive to strengthen and increase support from city, county, corporate, business and community donors. We are asking you to continue your support at \$20,000 per year.

Your ongoing support will help us continue to work hard to expand businesses, create jobs, revitalize Washington's downtown and promote the great opportunities that our city can offer.

Sincerely,

Sarah Grunewaldt Executive Director

January 2019

### Letter from our Director

Happy New Year! We hope that you had a fabulous holiday season. As we enter the heart of winter, we are planning for warmer weather & a year of great activities & projects. New Year is a good time to reflect on the past year & what we've accomplished together. January 25th will be Opposite Day & we've seen 10 years of changes to Downtown through assistance by Main Street, it's pretty hard to remember what 2008 in Downtown looked like, but we have photos!

This is just one of many examples. I challenge you to walk around downtown with fresh eyes & check out all the awesome work that's been done. We've seen over \$11 million of investment and that has made a profound impact. 2018 was a year of many great projects & the development of many more to come. Check out our Annual Report Card on the back and I'm so excited to see continued growth in 2019.

So as we enter this season of resolutions, what goals do you have for your business? How can Main Street Washington help or

cheer-lead for you?

### Let us know & Happy New Year!

Sarah Grunewaldt Executive Director

### Main Street Mondays

Main Street Washington is planning a bunch of great events for 2019 and we're starting a new social media video series called "Main Street Mondays." Every month we will feature 2 downtown businesses in our "Business Spotlight" edition and we'll feature 2 people who invest/volunteer for us explaining why they got involved. If you would like to be featured, please let me know. My goal is to feature every business and share the good word about what is going on in downtown. We've got such a fantastic business mix, it won't be hard to find great stories to tell.

### Main Street by the Numbers-Key Statistics

We have 129 businesses in Downtown Washington!

- \* 486 Full-Time Employees
- \* 277 Part-Time Employees
- \*We have 84 rental units in Downtown and over 100 residents

7% of our businesses are Restaurant

20% of our busineses are Retail

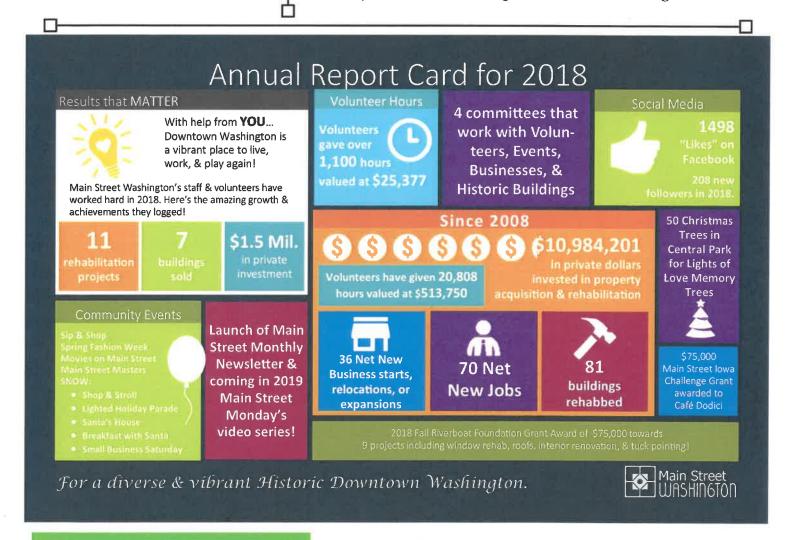

73% of our businesses are Service/Government/Churches, etc.

### Did you Know?

- In 1985, the lowa Legislature adopted Main Street America's Main Street Approach model and established MSI as a program of the lowa Economic Development Authority. Today, MSI is recognized as one of the most successful state Main Street programs in the nation.
- The design of the Centennial Fountain was inspired by the film "The Wizard of Oz."

### 10 Ways you can Improve your Nowntown

- 1. Buy Goods & Services from Local Downtown Businesses.
- 2. Attend Community Celebrations in Downtown.
- 3. Support efforts to keep Downtown Clean!
- 4. Eat at a Downtown Restaurant at least once a week.
- 5. Perform as many of your weekend errands & activities in Washington as you can.
- 6. Walk- don't drive- to really see what your Downtown has to offer: Check out the Historic Architecture.
- 7. Volunteer with youth on activities that benefit Downtown.
- 8. Take your friends Downtown with you to shop or dine or play meet for coffee.
- 9. Participate in community discussion groups on the future of our Community.
- 10. Invest your time volunteering for Main Street Washington!

The Honorable Jaron P. Rosien, Mayor Mr. Brent Hinson, City Administrator City of Washington 215 East Washington Street Washington, Iowa 52353

Dear Mayor Rosien & Brent:

On behalf of the WEDG Board of Directors, I am presenting the WEDG FY 2020 budget request to the City of Washington of \$25,000.

While new to this position, I've got a lot to learn about the area. Listening is my number one focus to begin with as I endeavor to meet area leaders and businesses. And while new, I've got an extensive background in economic and community development that I hope will serve the City of Washington, Washington County and its residents well.

Looking to the future I'm excited about the possibilities. Continuation of the strong working relationship with the City is vital, and enhancing our relationships with the County and various communities will be very important. WEDG is planning a review and enhancement of our plan of action for the long term, but I know it will include:

- Marketing our area to, and recruitment of, potential new businesses and residents:
- Retention of existing businesses;
- Workforce development initiatives;
- Housing development;
- Trail / recreation development:
- Quality of place opportunities;
- And more!

We will work closely with our investors and partners to develop a plan of action that is challenging, as well as achievable; specific as well as measurable. WEDG and I are looking forward to making things happen. Working together I know we will be successful.

WEDG is frequently the first phone call that many businesses, entrepreneurs and organizations make when they want to discuss an idea, project, hurdle or financing. WEDG has the knowledge, connections and resources to help them get the assistance and information that they need.

A recently completed trails / recreation plan is a wonderful tool as we strive to expand our trails throughout the County. The joint housing study currently underway will provide insights and direction for the maintenance and development of much needed housing for our workforce and other residents.

WEDG and I will continue to represent and promote our area to relevant local, regional, state and federal leaders and organizations.

Thank you, and I hope you will give our request your favorable support. That support is vital, and most appreciated. I'm excited about the future and the opportunity to work with you. Please do not hesitate to contact me if I can ever be of assistance in any way.

Sincerely,

David Collins
Executive Director

RE: FY20 City Budget

**Attachments:** 

2019 City of Washington R3 (002).pdf; FUNDING HISTORY Jan 2019\_.pdf

Hi Brent, attached is our budget information. We attached the option of continuing our agreement based on the averages or what the funding would be if they did the per year intake. It's up to the council with what is easiest for all of you. We are fine with either option. I am pleased to say that the number of cats has only changed by 2, so the numbers of animals coming in is basically the same. However, the change in the funding amount is because we had to increase our fee for service across the board with everyone. We haven't increased our boarding or pick up fee for over 6 years and recently found that we had fallen significantly below the county boarding average. Which is what we have always based our funding formula on. I look forward to working with you and the council. Please let me know when we should meet if needed. I am on my cell to today, feel free to call if you have any questions.

Sincerely, Amber Talbot, Director PAWS & More 1004 ½ W Madison Washington, IA 52353 Cell 319-461-9708

Subject: FY20 City Budget

### Hi Amber:

Attached for your information is a memo on our budget process. I know we had talked last year before the budget process about a new 3-year agreement, but neither of us ended up getting around to that in the last year- oops. Frankly, if you're happy with continuing with the \$21k for FY20, I will just make sure we get that funded, and perhaps you can come to Council in March or April and we can get authorization to work out an agreement for FY21, 22 & 23. Just let me know your thoughts. Thanks.

Dear Washington City Council, Mayor and Administrator:

Thank you for your service to our city of Washington. Funding from the city of Washington is essential in order for PAWS to continue its mission. Please keep this in mind when voting on the upcoming budget.

There are essentially two ways to consider funding to PAWS — one based on our **Seven Day Formula** (1) or the other, based on **averages(2)**. They look like this:

1) Seven Day Formula: number of animals accepted from within that entity only, multiplied by a daily boarding fee, multiplied by the first seven days the animal is in our care. The seven day time period is **state law** for how long an impounded animal is to be kept prior to adoption or euthanasia. We also include a per-animal pick-up fee for those that required a pick up.

Despite effective fundraising, due to overall increasing costs, we've simply had to raise both our daily boarding fee and our pick-up fee which are part of the Formula. We've refrained from these increases for several years. The daily boarding fee is now \$18 (up from \$15) which is still less than average for what county-wide clinics charge. The pick-up fee, now \$60 (up from \$40), is based on what the local animal control officer is paid per call. His rate does vary depending on the time of day he takes the call, but we feel this rate is a reasonable ask when considering the cost of using our own vehicle, cost of fuel, and the time it takes to handle a call. Additionally, many of our calls are after normal business hours.

Seven Day Formula based on 2018 intake (see Excel intake report): 195 cats x \$18 boarding per day x 7 days (state law) = \$24,570 + 9 pick ups @ \$60 per call = \$540 Total Seven Day Formula Request for 2018 = \$24,570 + \$720 = \$25,110 (\$6,277,50 per quarter)

2) Averages Formula: the budget for July 2018 - June 2019 provides \$21,000 to PAWS based on the average number (200) of cats (and occasional small animal) received from the city but with no compensation for pick-up fees. Going forward, if the averages option is chosen, we ask that pick-up fees be INCLUDED. The county and other cities pay them — we feel it's only fair that Washington does too. The average number of pick-ups over the past 11 years is 17, and the average number of intake has only risen slightly, from 200 to 202. The amount for these average numbers is \$26,472.

202 cats x \$18 boarding per day x 7 days (state law) = \$25,452 + 17 pick-ups x \$60 = \$1,020**Averages Amount Total Request** = \$26,472 (\$6,618 per quarter)

The supporting document — "Funding History" — shows the funding history and it provides where the averages were derived. Note that our requests in the report did NOT include owner surrenders — even though the likelihood of them ending up as strays was very high if we didn't accept them), reclaimed animals, Trap/Neuter/Release (TNR) cats, or dogs. The request has always been based on services rendered, not estimates.

The city may find it helpful for simplicity in budget planning purposes to enter a contract with PAWS as we did from 2014-17. If so, we respectfully ask that you base the contract on the averages amount. We recognize this is slightly higher than the Seven Day Formula for 2018's numbers, however numbers will fluctuate and if using one amount for a contract, basing it on averages is undeniably a fair route to take. PAWS will continue to invoice \$70 per cat for TNR as the annual request does not include TNR funding, nor does the average number of 202 include TNR cats. We can limit the amount of TNR cats if requested to do so.

PAWS & More was very busy in 2018:

Intake: 826 — highest it's **ever** been — up from 813 in 2017 (over a 29% increase compared to five years ago) Statistics: 9% reclaimed, 5% transferred to breed-specific rescues, 4%in process (recent arrivals); 77% **adopted!**, only 5% euthanized (due to medical or behavioral reasons, not space restrictions)

We respectfully ask that the City of Washington please recognize the magnitude of PAWS & More's services — animal control services that have been rendered. Services that PAWS provides our citizens that are promised to them through city ordinances. Services that PAWS is already set up to provide that would go unfulfilled to our citizens without PAWS. Therefore, contract or not, we hope you'll plan to pay the **averages amount** of \$26,472, or use the **Seven Day Formula** amount of \$25,110. PAWS can simply not afford to be underfunded for the services we provide and history has shown that our requests are fair and reasonable.

Thank you for your time and consideration. Please let me know if you have any questions and if you have not walked through the shelter, please stop out or call us for a scheduled visit. You'll be proud of our facility — one that other towns are not fortunate enough to have.

Sincerely,

Amber Talbot

### Dear Brent:

It's been an understanding for many years that the city would pay PAWS & More to take unclaimed dog pound dogs in order to give them a chance at life instead of euthanizing them. PAWS has been invoicing \$46.65 per dog for several years, but the actual average amount (as it varies by weight) for euthanasia is \$49.90, along with a \$55.50 cremation and disposal fee, totalling \$105.40 that is paid to Town & Country Vet Clinic when a dog is euthanized. Additionally, when sedation is necessary prior to euthanasia, there's an additional charge of \$34.20. Animals that require euthanasia are often times difficult to handle and this would be a charge that is probably incurred often. We will not be including the \$34.40 in our invoicing. However, taking all of this into consideration, PAWS & More will continue to invoice quarterly for dog pound dogs, but at a new rate of \$105.40 per dog as this is the average amount spent to euthanize, cremate, and dispose of them that the city is paying Town & Country Veterinary Clinic to do so. As a reminder, these dogs are NOT part of the annual funding request, they are a separate agreement, but we did want to notify the city of the rate change — one we think is fair based on real fees. Please let us know if you have any questions or concerns in regard to this matter.

Sincerely,

Amber Talbot

### PAWS & More & City of Washington Funding History: Prepared on January 29, 2019

2008 Ask/owed: \$24,150 Received: \$13,000 Underfunded: \$11,150

(No dog pound reimbursement, SAVING city \$1,032 in dogs alone. Sandy motioned for it to be removed when council agreed to going up to \$13,000.)

272 animals (dogs and cats - 57 of them were feral cats), 17 pick ups were not addressed.

272 city animals calculates to 23 animals on average per month x 12 mo.  $x $12.50 \times 7 \text{ days} = $24,150$ 

### START for averaging figures:

2009 Ask/owed: \$23,175 Received: \$10,400 Underfunded: \$12,750 (Still no dog pound reimbursement, SAVING city \$1,760 in dogs alone, and funding was reduced to \$10,400.)

67 dags and 192 cats. Leabhit (total of 260 animals), 17 nick ups at \$25 per call

67 dogs and 192 cats, 1 rabbit (total of 260 animals), 17 pick ups at \$25 per call.

2010 Ask/owed: \$27,112.50 Received: \$10,400 Underfunded: \$16,712.50

(Went back to invoicing city for dog pound dogs 69 of them at \$3,151.08.)

305 CATS and 2 rabbits, 17 pick ups at \$25 per call.

2011 Ask/owed: \$18,437.50 Received: \$10,400 Underfunded: \$8,037.50

13 dogs NOT from the dog pound, 188 cats, 4 rabbits, 20 pick ups at \$25 per call

2012 Ask/owed: \$15,225 Received: \$10,400 Underfunded: \$4,825

TNR day: 25 cats and 43 fetuses totally 68 cats PLUS 145 cats, 24 pick ups at \$25 per call

Raised boarding daily fee from \$12.50 to \$15

2013 Ask/owed: \$15,065 Received: \$12,900 Underfunded: \$2,165

137 cats, 17 calls at \$40 per call

Raised pick up fee to \$40 from \$25, in line with what dog catcher gets.

2014 Ask/owed: \$18,320 Received: \$15,000 Underfunded: \$3,320

167 cats, 1 bird, 17 pick ups at \$40 per call.

Agreement for three years:

2015 Owed: \$24,570 Received: \$15,000 Underfunded: \$9,570

234 cats, no pick ups included so real amount is even higher, there were 12 pick ups

2016 Owed: \$23,730 Received: \$16,000 Underfunded: \$7,730

226 CATS, no pick ups included so real amount is even higher, there were 21 pick ups
