

FIELD OBSERVATION #07

Project: Washington City Hall & Police Station
Washington, Iowa

Date: March 3, 2020
Time: 12:45 p.m.

Weather: Mostly Clear
Temperature: 40°

Present:	Brent Hinson	City of Washington
	Keith Henkel	City of Washington
	Mike Fleming	Bushong Construction
	Nathan Doggett	Farnsworth Group, formerly Design Alliance
	Kristofer Orth	Farnsworth Group, formerly Design Alliance

The purpose of this field observation was to review construction progress made to date and answer construction related questions.

Interior:

1. City Council [139]:
 - a. Painters are applying the finish coat of paintwork.
 - b. The aluminum storefront frames, and the insulated glass units are being stored.
 - c. Toilet partition material has been delivered and it being stored.
2. Hollow metal frames have been painted.
3. Contractors have adjusted the hollow metal frame (161A) & wall framing based on the owner requested revisions.
4. Contractors have started running data cabling.
5. Mike inquired about the paint color for the exposed steel columns. Nathan indicated they are to be painted the accent gray color. Nathan noted the gypsum board wrapped columns are to be painted the accent gray color as well.
6. Contractors are in the process of installing the VRF HVAC units.
7. Ductwork is being installed.
8. Finance Director [148]: Temporary heater is still present.
9. Dev. Services [146]: Paint materials are being stored.
10. Brent, Keith, Mike and Kristofer discussed the City of Washington "Tile Art" piece. It was decided it will be installed just west of door 143 on the north wall.

Exterior:

1. Aluminum storefront frames and glass have been installed in Office [149].
2. One of the aluminum storefront frames in Office [148] is in the process of being installed.
3. Installation of the exterior gasketing at the storefront frames is in progress.
4. Aluminum storefront frames are staged east of the building in preparation for installation.

Respectfully Submitted,

FARNSWORTH GROUP, INC. formerly Design Alliance, Inc.
