Urban Chicken Permit Application

**Failure to complete all sections of the application and provide supporting documentation may result in a return or denial of your application.**

1. Applicant Information

   Name Michael Todd

   Property Address 1401 E Main St

   Daytime Phone #: 319-461-0030 Evening Phone #: 319-461-0030

   Number of chickens &/or poultry to be kept 4

   (No roosters are allowed, Maximum number is 4)

2. Application Checklist

<table>
<thead>
<tr>
<th>Resident's Submittal</th>

</table>
   - Landlord sign-off (if applicant is a tenant)
   - Description of chicken coop and pen including materials used & cubic feet ✓
   - Diagram of the property including dimensions, location of coop and pen, and identification of adjacent properties by street address
   - Sign-off of all adjacent property owners (please use form attached as Exhibit A) ✓

“One of the 100 Best Small Towns in America”
3. Statement of Understanding (Please initial by each item)

1) I am aware that owners of all adjacent properties (i.e., all properties that contact each other at any point) must give their written consent for any urban chicken permit application to be approved.

2) I am aware that I must receive approval from the City prior to obtaining chickens.

3) I will follow all City ordinances and state laws relating to the care and keeping of animals.

4) I am aware that I am responsible for keeping chickens within the confines of my property at all times.

5) I am aware that I may not make any dimensional changes to my chicken coop without first obtaining approval from the City of Washington.

6) I grant the right for City staff to inspect my property at any time to investigate a complaint related to this permit.

7) I acknowledge that I live in an owner-occupied single-family home, or if renting, have the written permission of my landlord (landlord must provide a signature below).

8) I affirm that I have never been found guilty of any animal welfare, neglect or cruelty violations.

9) I understand that the permit is a limited license for the activity, no vested zoning rights arise from this permit and that the permit does not run with the land.

10) I understand the private restrictions on the use of the property shall remain enforceable and shall supersede the permit. I affirm that there are no private restrictions including, but not limited to, deed restrictions, condominium restrictions, neighborhood association bylaws, covenants, and restrictions and rental agreements. A permit issued to a property subject to private restrictions that prohibit keeping of chickens is void.

11) I understand that the City Council’s approval is good for two years, by which time the City may have developed different guidelines and I must reapply for my continued keeping of chickens.

I affirm that all statements contained in the application and attachments are true and correct and that I the permit holder will keep the chickens in compliance with all related ordinances and as otherwise directed by the City Council. I understand that failure to comply with regulations may result in revocation of the permit and/or issuance of a municipal infraction.

Signature ___________________________ Date 12-10-20

If applicant is a tenant, the landlord must sign below:

As the owner/authorized manager of the property at __________________________ (address), I give permission for my tenant __________________________ (applicant), to install a chicken coop and to keep chickens on the property, as may be approved by the City Council.

Landlord Signature ___________________________ Date ___________________________
NEIGHBOR SIGN-OFF FOR URBAN CHICKEN PERMIT
EXHIBIT A TO PERMIT APPLICATION

Any person wanting to keep chickens must first receive written approval from all property owners adjacent to the property for which the permit is requested. Adjacent means all parcels of property that share a property line with the applicant’s property, including those that only meet at a single property corner.

Applicant Name:  mikethompson
Site Address:  1401 E. Main St.

The above applicant wishes to keep chickens in a coop at the property listed. I/We, being the adjacent property owner(s), have been provided a diagram of the planned coop and pen in relation to the applicant’s property lines, and do not object to the above-named person keeping chickens as may be approved by the Washington City Council.

MAINTENANCE & CONSTRUCTION DEPT. REPORT
11-28-20/12-11-20

STREETS: Personnel continued with the leaf vac program compiling a total of 155 loads to date. Concluding last week Dec 7-11. Yard waste collection also concluded Dec 7-11. The street sweeper made a round through town. Personnel installed 15 No Parking (School Day) signs on already installed sign posts on South Ave C.

WATER DISTRIBUTION: Personnel turned on and off many water services for different reasons. Personnel responded to a water leak at 1202 South Iowa Ave where a sprinkler system had broken, the water was shut off at the curb, after breaking the rod crews repaired it to make it operational and the water was back in service.

SEWER COLLECTION: Personnel replaced 200 ft of 6 inch SDR pipe located at 2550 Hwy 1.

STORM SEWER COLLECTION: Personnel unplugged intakes with the recent rain.

MECHANIC/SHOP: Personnel installed the salt spreaders in #119 & #301, #115 (electrical issues on plow lights & replaced hydraulic filter), PD 307, treat bulk fuel tanks and change filters, and PD 307 Durango (shifter issues).

OTHER: Personnel hauled away from the shop. Rock was hauled back to the material storage building. Personnel responded to 37 One Call Locates. Yard waste was picked up for the final time concluding the program on December 10, residents are encouraged to take their yard waste debris to the WWTP if they have any to dispose of. Loaded 30 ton of red granite rock at the WWTP for the buyer.

*Please note that this report does not include every task M/C personnel performed, but shall be a highlight of our work performed as a department.
MAINTENANCE & CONSTRUCTION DEPT. REPORT

*Please note that this report does not include every task M/C personnel performed, but shall be a highlight of our work performed as a department.
WWTP report
January 5th, 2021
Council meeting

- **After hour alarm and dog call outs** —
  12-12-2020 WWTP Alarm at 4:40 p.m.
  12-22-2020 Dog call at the Dog Park 5:38 p.m. Dalton

- **Dept Head meetings** — I attended the meetings on Dec. 22nd, 29th

- **Hydrogen Sulfide Gas** — We continue to have meetings and conference calls with IRE, NELCO, Fox eng., and City staff to resolve the issue. We did get four more hydrogen sulfide monitors for a total of seven. We have the monitors spread through the sewer system from IRE to the WWTP. We get readings from the monitors once a week, share and go over the information with everyone.

- **Oreo** — Oreo is impounded and being held at the dog pound due to another dog bite.

- **WWTP 21-22 budget** — I’ve been working on the new budget.

- **WWTP Shifts** — We will be back to full staff January 4th

- **Sludge Storage Mixers** — Have been unhooked for the winter.

Grand Total
**Requires advance City Council approval- Council meets 1st & 3rd Tuesdays at 6 PM; Completed applications are due the Thursday previous to the meeting**

1. **APPLICANT INFORMATION**
   - Name/Event: Hospice of Washington County Annual Soup Supper and Silent Auction
   - Coordinator: Katrina Altenhofen, Executive Director
   - Contact Number: 319.653.7321
   - Email Address: Katrina@hospicewc.com

2. **EVENT INFORMATION**
   - Event Description: This year's event will be completely a carry out soup supper and on-line auction. With all food being carried out there is a potential for traffic to back up and we would like to minimize any congestion to the main traffic areas. By having traffic come in and out of the ally driveway this should allow for traffic to flow in and out of the parking lot easier.
   - Days/Dates of Event: January 26, 2021
   - Time(s) of Event: (Include Set Up/Tear Down Time) 2 pm - 7:30 Serving is from 4-6:30 pm
   - Event Location: United Presbyterian Church
   - Will event require an alcohol license or require modification of an existing license? _____Yes _____No

3. **REQUEST INFORMATION (Check All Applicable Items)**
   - If you are requesting the closing of a city street, a lane must be maintained for emergency vehicles at all times.
   - Temporarily close a street for a special event (specify street, times, and indicate on map: )
   - Description: We would just like to block off the United Presbyterians parking lot's south entrance to avoid potential congestion on east Washington street. We hope to utilize the church parking lot as a staging station for order and soup pick-up. I envision doing something similar to what I have done with child safety seat check-up events.
   - Method of Notification for businesses/downtown residents (if applicable):
Other Requests

_____ Temporarily park in a “No Parking” area location: ____________________________

_____ Use of City Park (specify park: _________________)

Electrical Needs: ____________________________

_____ Walk/Run (attach map of route and indicate streets to be closed)

_____ Use of gators/UTV/ATV on City streets

_____ Parade (attach map of route and indicate streets to be closed)

_____ Tent(s) to be used – over 400 sq ft or canopies over 1,000 sq ft

_____ Fireworks (specify location: )

X Other (please specify: )

We only need to close off the south end of the United Presbyterian Church parking lot so individuals do not back up into the street.

4. ITEMS REQUESTED FROM THE CITY OF WASHINGTON

X Street barricades

_____ Emergency “No Parking” Signs

X Traffic cones

_____ Picnic Tables

_____ Yield signs for crosswalks

_____ Garbage/Recycling Barrels

_____ Street Sweeping following (parades)

_____ Other (please specify: )

5. SOUND SYSTEMS Please indicate if the following will be used (verify availability with Parks Dept):

_____ Amplified Sound/Speaker System

_____ Recorded/Live Music

_____ Public Address System

_____ If so: BMI/ASCAP License obtained?

6. SANITATION Applicant is responsible for the clean-up of the event area immediately following the event, including trash removal from the site unless special arrangements are made (event trash may be hauled to Parks Shop dumpster at Sunset Park).

Will additional restrooms be brought to the site? _____ Yes _____ No If yes, how many? ______ (General guideline of 1 restroom/100 people)

Will handwashing/hand sanitizer stations be provided? _____ Yes _____ No If yes, how many? )

Contact Person: ____________________________ Phone: ____________________________

7. INSURANCE

For events requiring an alcohol license, the minimum amount of coverage in the general liability insurance policy shall be $2,000,000 general aggregate, $1,000,000 personal injury and $1,000,000 each occurrence. The minimum limits for the liquor liability policy shall be $500,000. For all other events held on public property, the minimum amount of coverage for the general liability insurance policy will be $500,000. Proof of proper insurance coverage must be submitted prior to City Council consideration of the application. City Council may require certificate of insurance with City listed as “additional insured” if deemed necessary.

X Certificate of Insurance provided and accepted

_____ Certificate of Insurance not required
8. AGREEMENT

In consideration of the City of Washington, Iowa, granting permission for the activity described above, the undersigned indemnifies and holds harmless the City of Washington, Iowa, its employees, representatives and agents against all claims, liabilities, losses or damage for personal injury and/or property damage or any other damage whatsoever on account of the activity described above and/or deviation from normal City regulations in the area. The undersigned further agrees to indemnify and hold harmless the City of Washington, Iowa, its employees, representatives and agents against any loss, injury, death or damage to person or property and against all claims, demands, fines, suits, actions, proceedings, orders, decrees and judgments of any kind or nature and from and against any and all costs and expenses including reasonable attorney fees which at any time may be suffered or sustained by the undersigned or by any person who may, at any time, be using or occupying or visiting the premises of the undersigned or the above-referenced public property or be in, on or about the same, when such loss, injury, death or damage shall be caused by or in any way result from or rising out of any act, omission or negligence of any of the undersigned or any occupant, visitor, or user of any portion of the premises or shall result from or be caused by any other matters or things whether the same kind, as, or of a different kind that the matters or things above set forth. The undersigned hereby waives all claims against the city for damages to the building or improvements that are now adjacent to said public property or hereafter built or placed on the premises adjacent to said property in, on or about the premises and for injuries to persons or property in or about the premises, from any cause arising at any time during the activity described above. The undersigned further agrees to comply with all the codes, rules, regulations, terms and conditions established by the City of Washington, Iowa.

THE UNDERSIGNED HAS READ AND FULLY UNDERSTANDS THIS DOCUMENT, INCLUDING THE FACT IT IS RELEASING AND WAIVING CERTAIN POTENTIAL RIGHTS, AND VOLUNTARILY AND FREELY AGREES TO THE TERMS AND CONDITIONS AS SET FORTH HEREIN.

Memorandum

December 29, 2020

To: Mayor & City Council
Cc: City Administrator & City Clerk

From: Kelsey Brown
Finance Director

Re: FY20 Audit Presentation

Chris Nelson of Gronewold, Bell, Kyhnn & Co. will be present (via Zoom) to discuss the results of the audit. I will have the official copies to distribute prior to the council meeting.

Overall, the results are good, we were issued an unmodified opinion (the best result). Please read through the “Management’s Discussion and Analysis” section following this memo. This is the essentially the executive summary of the audit.

One thing different this year was the addition of a Single Audit which audits federal funds received if greater than $750,000. We met this threshold in FY20 due to CDBG and FAA grant funds.

I would also direct your attention to pages 52–56 the “Schedule of Findings” included. This section reports any deficiencies or weaknesses in our operations. There are a few items to note: 1) As in all past years, they note segregation of accounting duties as an internal control deficiency; 2) We exceeded budgeted expenditures in the public safety (due to classification of LOST debt), general government and debt service functions; and 3) Disclosure regarding Economic Development payments, per the Code, council needs to evaluate on an annual basis the public benefit of contributing to WEDG. We will continue to work on reducing the above issues.
MANAGEMENT’S DISCUSSION AND ANALYSIS

The City of Washington provides this Management’s Discussion and Analysis of its financial statements. This narrative overview and analysis of the financial activities is for the fiscal year ended June 30, 2020. We encourage readers to consider this information in conjunction with the City’s financial statements, which follow.

2020 FINANCIAL HIGHLIGHTS

- Receipts of the City’s governmental activities increased 37.6%, or approximately $3,674,000, from fiscal year 2019 to fiscal year 2020. Bond proceeds increased approximately $3,266,000 while operating grants, contributions, and restricted interest increased approximately $200,000.

- Disbursements of the City’s governmental activities increased 20.0%, or approximately $2,068,000, in fiscal year 2020 from fiscal year 2019, mostly due to increased capital projects disbursements.

- The City’s total cash basis net position increased 0.5%, or approximately $56,000, from June 30, 2019 to June 30, 2020. Of this amount, the cash basis net position of the governmental activities increased approximately $831,000 and the cash basis net position of the business type activities decreased approximately $775,000.

USING THIS ANNUAL REPORT

The annual report consists of a series of financial statements and other information, as follows:

Management’s Discussion and Analysis introduces the basic financial statements and provides an analytical overview of the City’s financial activities.

The Government-wide Financial Statement consists of a Cash Basis Statement of Activities and Net Position. This statement provides information about the activities of the City as a whole and presents an overall view of the City’s finances.

The Fund Financial Statements tell how governmental services were financed as well as what remains for future spending. Fund financial statements report the City’s operations in more detail than the government-wide financial statement by providing information about the most significant funds.

Notes to Financial Statements provide additional information essential to a full understanding of the data provided in the basic financial statements.

Other Information further explains and supports the financial statements with a comparison of the City’s budget for the year and the City’s proportionate share of the net pension liability and related contributions.

Supplementary Information provides detailed information about the nonmajor governmental funds and the City’s indebtedness. In addition, the Schedule of Expenditures of Federal Awards provides details of various federal programs benefitting the City.
BASIS OF ACCOUNTING

The City maintains its financial records on the basis of cash receipts and disbursements and the financial statements of the City are prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items. Accordingly, the financial statements do not present financial position and results of operations of the funds in accordance with U.S. generally accepted accounting principles. Therefore, when reviewing the financial information and discussion within this annual report, readers should keep in mind the limitations resulting from the use of the cash basis of accounting.

REPORTING THE CITY'S FINANCIAL ACTIVITIES

Government-wide Financial Statement

One of the most important questions asked about the City's finances is, "Is the City as a whole better off or worse off as a result of the year's activities?" The Cash Basis Statement of Activities and Net Position reports information which helps answer this question.

The Cash Basis Statement of Activities and Net Position presents the City's net position. Over time, increases or decreases in the City's net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The Cash Basis Statement of Activities and Net Position is divided into two kinds of activities:

- Governmental Activities include public safety, public works, health and social services, culture and recreation, community and economic development, general government, debt service and capital projects. Property tax and state and federal grants finance most of these activities.

- Business Type Activities include the waterworks, the sanitary sewer system and sanitation services. These activities are financed primarily by user charges.

Fund Financial Statements

The City has two kinds of funds:

1) Governmental funds account for most of the City's basic services. These focus on how money flows into and out of those funds and the balances at year-end that are available for spending. The governmental funds include: 1) the General Fund, 2) the Special Revenue Funds, such as Road Use Tax and Urban Renewal Tax Increment, 3) the Debt Service Fund, and 4) the Capital Projects Fund. The governmental fund financial statements provide a detailed view of the City's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the City's programs.

The required financial statement for governmental funds is a Statement of Cash Receipts, Disbursements and Changes in Cash Balances.

2) Proprietary funds account for the City's Enterprise Funds and the Internal Service Fund. Enterprise Funds are used to report business type activities. The City maintains two Enterprise Funds to provide separate information for the Water and Sewer Funds, considered to be major funds of the City and a Sanitation Fund, which is considered to be a nonmajor fund. Internal Service Funds are an accounting device used to accumulate and allocate costs internally among the City's various functions.

The required financial statement for proprietary funds is a Statement of Cash Receipts, Disbursements and Changes in Cash Balances.

Reconciliations between the government-wide financial statement and the fund financial statements follow the fund financial statements.
GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net position may serve over time as a useful indicator of financial position. The City's cash balance for governmental activities increased from a year ago, increasing from approximately $8.128 million to approximately $8.959 million. The analysis that follows focuses on the changes in cash basis net position of governmental activities.

The City’s total receipts for governmental activities increased 37.6%, or approximately $3,674,000, over the prior year. The total cost of all programs and services increased approximately $2,068,000, or 20.0%, with no new programs added this year. The significant increase in receipts was primarily the result of an increase in proceeds received from the issuance of general obligation capital loan notes, while the significant increase in total cost is primarily the result of an increase in capital projects activity.

The cost of all governmental activities this year was approximately $12,422 million compared to approximately $10.354 million last year. However, as shown in the Statement of Activities and Net Position on pages 6-7, the amount taxpayers ultimately financed for these activities was approximately $9.879 million because some of the cost was paid by those who directly benefited from the programs (approximately $816,000) or by other governments and organizations which subsidized certain programs with grants, contributions and restricted interest (approximately $1,727,000). Overall, the City’s governmental activities program receipts, including intergovernmental aid and fees for service, increased in fiscal year 2020 from approximately $2,434,000 to approximately $2,544,000, principally due to receiving more private source contributions for capital projects.

Total business type activities receipts for the fiscal year were approximately $5.389 million compared to approximately $6.250 million last year. This decrease was due primarily to the decrease of revenue bond proceeds in fiscal year 2020. The cash balance decreased approximately $775,000 over the prior year because most of the bond proceeds received in FY18 and FY19 were spent in this fiscal year for the approved water treatment plan improvement project. Total disbursements for the fiscal year increased 5.7% to approximately $6.355 million.

INDIVIDUAL MAJOR GOVERNMENTAL FUND ANALYSIS

As the City completed the year, its governmental funds reported a combined fund balance of $8,677,673, an increase of more than $770,000 above last year’s total of $7,907,588. The following are the major reasons for the changes in fund balances of the major funds from the prior year.

- The General Fund cash balance increased $101,233 or 7.4%, from the prior year to $1,474,889. Approximately $96,000 of this increase was due to disbursements in the General Fund decreasing from the prior year.

- The Special Revenue, Road Use Tax Fund cash balance decreased $140,163, or 14.3%, from the prior year to $841,454. This decrease is attributable to an increase in public works disbursements for the fiscal year.

- The Debt Service Fund cash balance decreased $632 or 100.0% to $0. This decrease is attributable to a decrease in bond principal and interest payments in fiscal year 2020.

- The Capital Projects Fund cash balance increased $761,276, or 16.9%, to $5,277,582. The increase was the result of proceeds of $5,090,000 received from the issuance of general obligation capital loan notes. These proceeds were used to purchase capital equipment, real estate and construct various projects.

INDIVIDUAL MAJOR BUSINESS TYPE FUND ANALYSIS

- The Enterprise, Water Fund cash balance decreased by $326,192 to $393,120, due primarily to a decrease in the sale of water and an increase in disbursements.

- The Enterprise, Sewer Fund cash balance decreased by $428,210 to $761,157, due primarily to the increase in disbursements related to the 2019 Southeast Basin I&I Reduction capital project.

BUDGETARY HIGHLIGHTS

Over the course of the year, the City amended its budget two times. The first amendment was approved on February 18, 2020 and resulted in an increase in disbursements related to public safety, public works, culture and recreation, community and economic development, debt service, capital projects and business type/enterprises. The second amendment was approved on May 19, 2020 to provide for additional disbursements related to public safety, public works, culture and recreation, general government, debt service, capital projects and business type/enterprises. The City had sufficient cash balances to absorb these additional costs.

The City’s receipts were $1,455,086 less than budgeted. This was primarily due to grant receipts that were less than expected due to delays in the projects.

With the budget amendments, total disbursements were $4,402,001 less than the amended budget. This was primarily due to the City delaying disbursements related to capital projects.

- 5d -
The City exceeded the amounts budgeted in the public safety, general government and
debt service functions for the year ended June 30, 2020 due to the purchase of public safety
equipment, higher costs for projects and higher cost associated with bond issuance.

DEBT ADMINISTRATION

At June 30, 2020, the City had $30,682,000 of bonds and other long-term debt
outstanding, compared to $26,813,607 last year, as shown below.

Debt increased as a result of issuing general obligation capital loan notes for capital
equipment and real estate purchases and various improvement projects.

The Constitution of the State of Iowa limits the amount of general obligation debt cities
can issue to 5% of the assessed value of all taxable property within the City's corporate limits.
The City's outstanding general obligation of $10,970,000 is significantly below its constitutional
debt limit of approximately $21 million. Additional information about the City's long-term debt
is presented in Note 3 to the financial statements.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET AND RATES

The City of Washington's elected and appointed officials and citizens considered many
factors when setting the fiscal year 2021 budget, tax rates, and fees charged for various City
activities. Those factors may include the economy, employment rates, operating expenses,
capital projects and increases in service and state mandates.

For fiscal year 2021, the City of Washington has projected and budgeted the following
major projects; City Hall/Police Building $925,139, Wellness Park $2,387,563, N 4th
Improvements $1,552,705 and South Ave. E Improvements $752,849. Other projects include
NLW Subdivision, Southeast Basin I&I Reduction, Sealcoat, Airport Taxi lane, and N 4th Ave.
Street and Utility.

CONTACTING THE CITY'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers and
creditors with a general overview of the City's finances and to show the City's accountability for
the money it receives. If you have questions about this report or need additional financial
information, contact Brent Hinson, City Administrator, City of Washington, 215 East Washington
Street, Washington, Iowa 52353.
PART I: Summary of the Independent Auditor’s Results

(a) Unmodified opinions were issued on the financial statements prepared on the basis of cash receipts and disbursements, which is a basis of accounting other than U.S. generally accepted accounting principles.

(b) A significant deficiency in internal control over financial reporting was disclosed by the audit of the financial statements. The audit did not disclose any material weaknesses in internal control over financial reporting.

(c) The audit did not disclose any non-compliance which is material to the financial statements.

(d) The audit did not disclose any material weaknesses or significant deficiencies in internal control over the major program.

(e) An unmodified opinion was issued on compliance with requirements applicable to the major program.

(f) The audit did not disclose any audit findings which are required to be reported in accordance with the Uniform Guidance, Section 200.516.

(g) The major program was CFDA Number 14.225 - Community Development Block Grants/Special Grants/Insular Areas.

(h) The dollar threshold used to distinguish between Type A and Type B programs was $750,000.

(i) The City of Washington did not qualify as a low-risk auditee.

Schedule of Findings and Questioned Costs

Year ended June 30, 2020

PART II: Findings Related to the Financial Statements

INTERNAL CONTROL DEFICIENCIES:

20-II-A Segregation of Duties:

Criteria: Management is responsible for establishing and maintaining internal control. A good system of internal control provides for adequate segregation of duties so no one individual handles a transaction from its inception to completion. In order to maintain proper internal control, duties should be segregated so the authorization, custody and recording of transactions are not under the control of the same employee. This segregation of duties helps prevent losses from employee error or dishonesty and maximizes the accuracy of the City's financial statements.

Condition: A limited number of people have the primary responsibility for most of the accounting and financial reporting duties.

Cause: The City has a limited number of employees which does not allow procedures to be established to adequately segregate duties or provide compensating controls through additional oversight of transactions and processes.

Effect: Inadequate segregation of duties could adversely affect the City's ability to prevent or detect and correct misstatements, errors or misappropriation on a timely basis by employees in the normal course of performing their assigned functions.

Recommendation: The City should review its control activities to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including elected officials.

Response: We will continue to review and monitor ways to improve segregation of duties.

Conclusion: Response accepted.

INSTANCES OF NON-COMPLIANCE:

No matters were noted.

U.S. Department of Housing and Urban Development

INTERNAL CONTROL DEFICIENCIES:

INSTANCES OF NON-COMPLIANCE:
No matters were noted.

PART IV: Other Findings Related to Required Statutory Reporting

20-IV-A Certified Budget: Disbursements during the year ended June 30, 2020 exceeded the amounts budgeted in the public safety, general government and debt service functions. Chapter 384.20 of the Code of Iowa states, in part, "Public monies may not be expended or encumbered except under an annual or continuing appropriation."

Recommendation: The budget should have been amended in accordance with Chapter 384.18 of the Code of Iowa before disbursements were allowed to exceed the budget.

Response: The budget will be amended in the future, if applicable

Conclusion: Response accepted.

20-IV-B Questionable Disbursements: During the audit, we did not note any disbursements that did not meet the requirements of public purpose as defined in an Attorney General’s opinion dated April 25, 1979.

20-IV-C Travel Expense: No expenditures of City money for travel expenses of spouses of City officials and/or employees were noted.
CITY OF WASHINGTON, IOWA
Schedule of Findings and Questioned Costs

PART IV: Other Findings Related to Required Statutory Reporting - Continued

20-IV-D Business Transactions: Business transactions between the City and City officials and/or employees are detailed as follows:

<table>
<thead>
<tr>
<th>Name, Title and Business Connection</th>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Thomas Wide, Fire Chief, Owner of Sign Design</td>
<td>Safety shirts and logo printing</td>
<td>$1,206</td>

</tr>
<tr>
<td>Brendan DeLong, City Council Member, employee and son of owner of DeLong Construction</td>
<td>Construction services</td>
<td>$1,913,747</td>
</tr>
</tbody>
</table>

In accordance with Chapter 362.5(3)(j), the transactions with the Fire Chief and Airport Committee Chair do not appear to represent a conflict of interest since total transactions with each individual were less than $6,000 during the fiscal year. In accordance with Chapter 362.5(3)(d) of the Code of Iowa, the transactions with the City Council member does not appear to represent a conflict of interest since it was entered into through competitive bidding.

20-IV-E Restricted Donor Activity: No transactions were noted between the City, City officials, City employees and restricted donors in compliance with Chapter 68B of the Code of Iowa.

20-IV-F Bond Coverage: Surety bond coverage of City officials and employees is in accordance with statutory provisions. The amount of coverage should be reviewed annually to ensure that the coverage is adequate for current operations.

20-IV-G City Council Minutes: No transactions were found that we believe should have been approved in the City Council minutes but were not.

20-IV-H Deposits and Investments: We noted no instances of non-compliance with the deposit and investment provisions of Chapters 12B and 12C of the Code of Iowa.

20-IV-I Revenue Notes and Bonds: No instances of non-compliance with the revenue notes and bond resolutions were noted.
CITY OF WASHINGTON, IOWA
Schedule of Findings and Questioned Costs
Year ended June 30, 2020

PART IV: Other Findings Related to Required Statutory Reporting - Continued

20-IV-J Tax Increment Financing (TIF): Chapter 403.19 of the Code of Iowa provides a municipality may certify loans, advances, indebtedness and bonds (indebtedness) to the County Auditor which qualify for reimbursement from incremental property tax. The County Auditor provides for the division of property tax to repay the certified indebtedness and provides available incremental property tax in subsequent fiscal years without further certification by the City until the amount of certified indebtedness is paid. No exceptions were noted.

20-IV-K Urban Renewal Annual Report: The urban renewal annual report was properly approved and certified to the Iowa Department of Management on or before December 1 and no exceptions were noted.

20-IV-L Economic Development: During the year ended June 30, 2020, the City paid $65,000 to Washington Economic Development Group. The City Council has documented the public benefits received from this expenditure, however, it is disclosed here for public information.

According to Chapter 15A of the Code of Iowa and an Attorney General's opinion dated August 28, 1986, government financing of economic development may, in appropriate circumstances, serve a public purpose. The opinion advises the governing body to evaluate the public benefits to be obtained and discusses the specific criteria to be considered in documenting public purpose.

Recommendation: The Council should continue to evaluate and document the public purpose served by these expenditures before authorizing further payments.

Response: We will continue to evaluate and document the public purpose in the future.

Conclusion: Response accepted.

Re: Capital Improvements Plan (CIP) Update for FY22-FY26

The Council had discussion on the CIP update on December 15, and now the plan is ready for hearing and final adoption. The only change to the plan is the addition of the Madison Park project, as was noted at the last meeting.
RESOLUTION NO. ________

A RESOLUTION APPROVING CAPITAL IMPROVEMENTS PLAN FOR FY22-FY26

WHEREAS, the City Council and City staff have developed a Capital Improvements Plan (CIP) to address the community's current and future infrastructure and other capital needs; and

WHEREAS, the City Council voted on December 15, 2020 to set a hearing on the CIP, and notice of public hearing has been duly published as required by Iowa Code Section 384.15; and

WHEREAS, the Council held said hearing on January 5, 2021.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WASHINGTON, IOWA:

Section 1. The City Council hereby approves the Capital Improvements Plan for FY22-FY26. Said plan is to be reviewed and updated annually in conjunction with the annual budget process.

Section 2. All Resolutions or parts of Resolutions in conflict herewith are hereby repealed, to the extent of such conflict.

PASSED AND APPROVED this 5th day of January, 2021.

To whom it may concern Oreo's family is appealing the decision to humanely destroy the dog Oreo.

On the late Afternoon of December, 23, 2020 at around 3:45 I came home with my Daughters (Alli and Katie) BDay Cake. Jasmine Greg was here for the Birthday party. She was holding Oreo by the Collar and Harness. Both Alli and I told her to let go of Oreo. She stated “No it's fine I got her”. She then proceeded to start dragging Oreo across the Kitchen Floor by her collar resulting in Oreo's air way being cut off. Oreo Growled to warn her to let go, she did not let go, therefore Oreo nipped at her. When Oreo nipped at her because she did not like being drugged, the dog ended up biting her arm. It didn't break the skin nor did it barely even bit. We have training set up for the first opening available, which is in January of 2021, which was the agreement with the last oreal. We are also willing to take her out of the county and into the country. We want to know why we are not given that option and someone else is. Is it because their dog isn't a pitbull? A pregnant pitbull for that matter?!

Ref. MOU with Washington County Public Health

We have received a request from Washington County Public Health to complete a Memorandum of Understanding to serve as a closed Point of Distribution (POD) clinic for the dispensing of vaccinations and prophylaxis to critical infrastructure partners.

This collaboration is important to enhance the ability to respond and protect critical employees and residents during public health emergencies.

I am requesting City Council approval for me to sign the attached MOUs.

Respectfully,

Jim Lester
Chief of Police
Clinic Site Memorandum of Understandings

Template Memorandum of Understanding (MOU) for
A Closed Point of Distribution (POD) Agreement

This agreement is made and entered into between the City of Washington, Police Department located in Washington County, State of Iowa and the Washington County Public Health Department.

An incident of public health significance may require the local health department to activate mass clinic operations to provide vaccination or prophylaxis administration to critical infrastructure partners.

This goal cannot be achieved by the Washington County Public Health Department alone and will rely on community partners, including healthcare partners within Washington County to achieve this goal. Therefore the City of Washington Police Department during an incident of public health significance, and under direction from the Washington County Public Health Department, agrees to operate a closed POD to dispense vaccination or prophylaxis to critical infrastructure partners.

The parties here do mutually desire to reach an understanding that will result in making the City of Washington Police Department a temporary POD clinic. Now, therefore, it is mutually agreed between the parties as follows:

The Washington County Public Health Department will:
1. Provide planning, training and technical assistance, including but not limited to supply lists, clinic flow layouts, fact sheets, dispensing algorithms, etc.
2. Ensure delivery of the appropriate amount of medications, forms, and educational materials in a reasonable, timely manner.
3. During the event, provide consultation and assistance as able and in circumstances provide a healthcare professional or professionals with authority to oversee medication dispensing if the organization does not have said person.
4. Provide information updates to the clinics as necessary.
5. Collect any unused medications and medical documentation.

The City of Washington Police Department will:
1. Serve as a closed POD clinic and dispense vaccinations and prophylaxis to critical infrastructure partners.
2. Dispense vaccinations and prophylaxis properly with the necessary medical oversight from the Washington County Public Health Department.
3. Maintain accurate records of vaccinations and prophylaxes dispensed and provide those to the Washington County Public Health Department.
4. Ensure access to emergency medical services and security.
5. Return any unused vaccinations or medications to Washington County Public Health.

It is agreed that Washington County Public Health Department and City of Washington Police Department shall have the right to terminate this agreement for any reason by giving the other party a sixty (60) day written notice of termination. Notice of termination will not relieve the obligations incurred prior to the effective date of withdrawal.

In witness thereof, the governing board of the City of Washington Police Department has caused this agreement to be executed by (title of authorized representative for the organization). And the Washington County Public Health Department has caused this agreement to be executed by Karri Fisher. Said agreement will become effective and operative upon the fixing of the last signature.

Partnership to Provide Community Mass Prophylaxis

This Memorandum of Understanding (MOU) is entered into as of this date by and between Police Department City of Washington, Iowa (hereafter known as the Partner) and Washington County Public Health (WCPH) to support efforts to provide mass prophylaxis of a designated populated affected by a disaster or public health emergency. This MOU is entered into voluntarily by both parties and is not intended to be a legally binding contract.

Whereas, the Centers for Disease Control and Prevention (CDC) has established a program to require local health departments to prepare in the event of a catastrophic biological incident; and

Whereas, the CDC, through the Iowa Department of Public Health (IDPH), will provide assets from the Strategic National Stockpile (SNS), which includes medications and medical supplies to WCPH to be distributed within the jurisdiction of Washington County;

Whereas Police Department City of Washington, Iowa and WCPH each have a desire to assist communities to prepare for and respond to a bioterrorism release or other communicable disease threat; and

Whereas Police Department City of Washington, Iowa and WCPH wish to collaborate to enhance their ability to respond to a catastrophic biological incident or other public health disaster to protect the residents of Washington County.

Definitions

Medical Countermeasure Dispensing: Medical countermeasure dispensing is the ability to provide medical countermeasures (including vaccines, antiviral drugs, antibiotics, antitoxin, etc.) in support of treatment or prophylaxis (oral or vaccination) to the identified population in accordance with public health guidelines and/or recommendations.
**Point of Dispensing:** Location where vaccines, antibiotics or other medication may be quickly dispensed to a large group of people during a public health emergency. Open PODs are open to the general public. Please see "Closed POD" definition for additional information.

**Public Health Emergency:** "Public Health emergency" pursuant to Section 319 of the Public Health Service Act a “public health emergency” exists when “(1) a disease or disorder presents a public health emergency; or (2) a public health emergency, including significant outbreaks of infectious diseases or bioterrorist attacks, otherwise exists. A Medically documented occurrence of a communicable disease or contamination caused by an organism or incident that poses a substantial risk of a significant number of human fatalities or incidents of permanent or long-term disability.

**Strategic National Stockpile (SNS):** A strategic stockpile of medications, medical equipment and supplies controlled by the federal government to be rapidly deployed to respond to public health emergencies.

---

**Partner Section**

Partner Agrees to:

1. Upon declaration of a public health emergency
   a. Take delivery if necessary of SNS supplies and/or medications and prepare the site designated by the Partner
   b. Ensure that all employees involved in the administration of prophylaxis medication or vaccination will be provided treatment first.
   c. Provide medical countermeasures to those identified as eligible for receiving prophylaxis medication or vaccination in compliance with all state and local laws
   d. Follow all priority group dispensing guidelines set by state and local government. Priority groups may involve healthcare providers and those most at risk for disease. Priority groups are linked to specific disease and are not established prior to an event.
   e. Not charge individuals for SNS medications or administration of SNS medications that have been provided through this agreement, except as permitted by State or local law or the CDC. There are no financial guarantees; however if applicable, during a federally declared disaster, reimbursement for the cost of those materials will be made according to federal guidelines.
f. Maintain accurate inventory records of SNS medications received and dispensed and provide said records to WCPH upon request.

g. If the capability exists, merge electronic record information to Iowa's Immunization Registry Information System (IRIS) for vaccination. If capability does not exist, consider providing data entry support to document medical countermeasure vaccination.

h. Secure and return all unused portions of the supplies provided by public health to the WCPH liaison and provide a record of those who received the prophylaxis.

Washington County Public Health Section

Washington County Public Health Agrees to:

1. Provide appropriate training and education opportunities to identified Partner staff.

2. Upon declaration of a public health emergency, WCPH agrees to:
   a. Conditionally ensure availability of the appropriate amount of SNS medications in a reasonable, timely manner and to provide the SNS medications to the Partner as they become available.
   b. Assist, consult, and provide situational update with the Partner as needed for the given public health emergency.
   c. Supply the Partner with proper medical protocols for dispensing activities, including but not limited to, dosing, follow-up procedures and releasable information regarding the public health emergency situation.
   d. Make arrangements to collect any unused SNS medications, as well as copies of all medical documentation.
   e. Post-event, coordinate an evaluation of the response and provide the after action report to the Partner contact.

Section of Mutual Agreement

It is Mutually Agreed:

1. Both parties acknowledge that they are healthcare providers cooperating in providing treatment and preventions. This agreement contemplates exchange of protected health information (PHI) as identified in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and use of Electronic Health Records (EHR) as identified in the Health Information Technology for Economic and clinical Health Act of 2009 (HITECH). Both
parties agree and shall abide by the privacy and security regulations and requirements of both Acts.

2. This MOU may be amended by mutual agreement of both parties at any time.

3. This MOU shall have no expiration date. The Partner or WCPH may withdraw at any time by giving written notice to the listed contacts at least sixty (60) days before the effective date of such withdrawal.

4. This MOU will not supersede any laws, rules or policies of either party.

5. Post event, participate in a review meeting to discuss what worked and did not work in the event. This will assist with planning for future events.

6. It is understood that the Partner’s participation is completely voluntary and may not be available or utilized at the time of the Event.

Signature Section

This MOU does not create a separate legal entity. Each party to this MOU represents and warrants to the other that:

1. It has the right, power and authority to enter into and perform its obligations under this MOU.

2. It has taken all requisite action (corporate, statutory or otherwise) to approve execution, delivery and performance of this MOU and this agreement constitutes a legal, valid and binding obligation upon itself and in accordance with its terms.

Re: Riverboat Municipal Grant Applications

The Riverboat Foundation deadline for Municipal Grant applications is coming up on January 22. I am proposing, as has been planned for several years, that we request $175,000 for the Downtown Streetscape Expansion and $250,000 for West Buchanan/Business Park Phase 2 for FY22. This will be final installment of Riverboat funds needed for West Buchanan, and the first of 4 years of funding requested for the Streetscape.

Pending the Council's approval of the official resolution and the Riverboat Foundation's approval of the applications, these requests would then be built into the FY22 budget.

"One of the 100 Best Small Towns in America"
RESOLUTION NO. _______  
A RESOLUTION ENDORSING APPLICATIONS FOR MUNICIPAL GRANT FUNDS  

WHEREAS, the City of Washington has been very fortunate to receive sizeable amounts of municipal grant funds through the Washington County Riverboat Foundation over the years; and  

WHEREAS, the Riverboat Foundation has established procedures requiring applications to be completed for each project cities wish to complete using municipal grant funds; and  

WHEREAS, the City Council has determined the projects and initiatives for which it would like to allocate these funds for Fiscal Year 2021-2022.  

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WASHINGTON, IOWA:  

Section 1. The City Council hereby requests that the Washington County Riverboat Foundation allocate anticipated municipal grant funds for the fiscal year beginning July 1, 2021 in the following manner:  

   A. Business Park Phase II: $250,000  
   B. Downtown Streetscape Expansion: $175,000  

Section 2. The City Council states its commitment to identifying additional funding needed to successfully complete the above projects and initiatives.  

PASSED AND APPROVED this 5th day of January, 2021.

Re: Release of cul-de-sac ROW on E. Tyler St.

Issue

Review and consider the release of the cul-de-sac ROW to adjoin the Horsey property of (3G S CIRCLE DR LOT 3F & CIRCLE DR SD LOT 3H & FOSS SD LOT 1 EXCW 156FT).

Background

The Horsey property is in negotiations to sell the 3 lots at E. Tyler St. and Circle Dr. He is requesting the release of the cul-de-sac ROW to reform the lots to gain proper setbacks and sizing for the construction of possible duplexes and a single-family home where applicable according to the city codes for R2 zoning.

Recommendation

The City of Washington’s Planning and Zoning Commission recommends that the City of Washington’s City Council approve the release of the cul-de-sac ROW to the Horsey property with the stipulation that we maintain a sewer easement through the cul-de-sac property, old Railroad ROW connecting to the corner of S. 8th Ave. and E. Ref.: Police Department Fee Schedule

From time to time, we receive requests for copies of reports, photographs or videos related to calls for service, accidents or investigations.

Public records requests are processed in accordance with Iowa law, unless the information requested falls under the limited exceptions outlined in Iowa Code 22.7 or another law. In those cases, we are sometimes served a subpoena or court order requiring us to produce the documents or recordings.

Iowa Code allows government bodies to charge "reasonable" fees for fulfilling records requests, but the fees are not to exceed the actual costs incurred in providing the service. The Code also allows for the collection of fees for serving certain court documents.

Having reviewed Fee Schedules from other law enforcement agencies, including the Washington County Sheriff’s Office, I am requesting the City Council approve the attached Washington Police Department Fee Schedule which will become effective immediately.

Respectfully submitted,
