

LIVE

It's time to begin scheduling for the summer long "Thursday Night Live" 2024 series. The Washington Chamber of Commerce has been asked by our community and the Farmers' Market Committee to bring MORE MUSIC to our downtown. With that in mind, we will be featuring live weekly entertainment on Thursday evenings from 5:30p.m.-7:00 p.m. Performances are in Central Park running from May 30th - August 8th. No performance on July 18th (County Fair) and August 15th is a rain date. There will be up to 4 microphones provided as well as the PA system on the bandstand. Any other equipment is the responsibility of the entertainer.
