

2025 Food Vendor Registration

Planning for Washington's summer events is in full swing, and we are so excited about what we will offer in 2025. We're starting the festivities in the month of May with the Craft Fair: Spring Edition, then in June we will host a 4-day Washington Ridiculous Days, from June 5 – 8. Our last event will be the Fall Craft Fair in September. **We would like to extend an invitation to your business or organization to participate as a food vendor in our upcoming events.** All of these events take place in the heart of Washington on our downtown square.

If your business/organization is interested in participating as a food vendor, please fill out the enclosed application and return it as soon as possible. The deadline for applications is **30 days before each event**. Space is limited to a total of 10 vendors per event and menu requests will be honored when application and payments are received - so don't delay! **Most of our events are filled within 2 weeks of opening the registration for the year. Reserve your spot and food items today!** Registrations received less than 30 days before the event will incur a \$15 Late Fee. Registration and/or payments received 7 days before the event will incur a \$30 Late Fee.

If you have been a vendor at any of our summer events in the past, applications still need to be received for us to make plans to include you in this year's event. We look forward to having you here and want to welcome you to our festivities.

Sincerely,

Michelle Redlinger

Rules and Regulations

The Washington Chamber of Commerce has developed these rules and regulations to provide an enjoyable experience for all participants, spectators, and volunteers. Failure to follow these rules may result in immediate removal from the event and a \$50 damage charge to the credit card on file. We appreciate your cooperation in continuing to make this a fun and pleasant community event. **No changes have been made since last year.**

- All vendors that are Chamber members will be given priority and second priority to those that are returning vendors. After that, vendors will be assigned on a first come, first serve basis.
- Allocated spaces begin at **10ft x 10ft**. Any special needs beyond this space will be accommodated to the best of our ability.
- All booths will be assigned by the Washington Chamber of Commerce. Booth set up will be in accordance with each event's regulations and must be set up on the designated space.
- Exhibitors must supply their own necessary equipment, electrical cords, etc. If in need of electricity, it will be an additional fee of \$5. Requests should be marked on the registration form. We will be able to offer 110v and will do our best to accommodate requests for 220v/50amp. Please bring a backup generator if you require electrical needs in case there are any electrical issues.
- Booths are to be set up and vehicles moved to the reserved parking area 30 minutes before the event begins.
- Collection and reporting of sales tax is the responsibility of each exhibitor. Sales tax in Washington is 7%.
- **All food vendors must contact Washington County Environmental Health Department at (319) 653-7782, to apply for a temporary food establishment license if you do not already have a permanent license.**
- The Washington Chamber of Commerce reserves the right to deny any application. ▪ No refunds will be granted within 30 days of the event. Any refund that is requested prior to 30 days will be assessed a \$5 cancellation fee per cancelled event.
- Registration costs are on the registration form. (A damage fee of \$50 will be charged to the credit card on file if your vendor area is not cleaned up and/or for any damage on the site.)

Thank you for taking part in Washington's Summer Events and we look forward to working with you!
